

Little Gunpowder 50K

Saturday 18, November 2017

7am Start

This is a Fat Ass style event with no fees, no frills, and no excuses...

Location: Jerusalem Mill.

Course: Out-and-back 50k on the Little Gunpowder trails. The route is mainly trail with a very short connecting section of paved road.

Field: Limited to 100 runners.

General Information: The race begins and ends at the historic Jerusalem Mill in Kingsville, Maryland.

The Gunpowder trail provides various challenges ranging from leaf covered rocky terrain to precipitous trails with questionable blazes. The course will be marked with blue and white striped surveyors ribbon. We recommend you carry a cell phone. All runners should bring a gallon of water and will be assigned a small item to bring for the aid table (coke, ginger ale, cookies etc.).

We'll operate six small aid stations and while there is no strict cut off, we ask that you be prepared to complete the race in no more than 9 hours. We want all runners off the course by 4:00 pm. Note that distances are approximate....

Aid Stations:
