(See note below)

RD: Rob Comeaux

Conditions: Cold at the start for this new first time race.

Special note of thanks to: Rob Comeaux, Mike Early, Scott Smith, Scott Schoeb, Phil Anderson and Christine Trzcinski (Diane Denis's daughter) for helping to find Diane Denis who missed a midpoint turn.

Last spotted, Diane was still heading East on 924 towards the Chesapeake Bay. Our hope was that she will finally decide to turn around at the water and head back to Bel Air.

PS - It's a good thing the bay is not frozen over, otherwise the search may have to have been expanded to include the Eastern shore and not just all of Harford County.
