Race Director comment:

The printer got jammed during the race. The timer had to use paper and pen to score.

There were 101 tags but only 99 times where recorded.

Therefore, the times would be off by one or two spots.

But the order is correct.

Thank you for coming to the race and also thanks to the volunteers.

Volunteers - Lots and thank you

Conditions: Nice

118 signed up and 101 finished.
