NOTES: * TIMES ARE BASED ON THE OFFICIAL STOP WATCHES (2) WHICH STORE ALL TIMES. THE " FINISH LINE CLOCK" IS ONLY FOR "DISPLAY" AND DOES NOT INDICATE OFFICIAL TIMES. FOR THIS RACE, IT APPEARS THAT THE DAMPNESS CAUSED THE CLOCK TO INDICATE FINISH TIMES UP TO 2 MINUTES SLOWER THAN THE ACTUAL TIME AFTER 30 MINUTES INTO THE RACE.

ALSO. We apologize for the delay in publishing the results. Our timing/finish line volunteers had more issues than normal that needed attention.

These included the wet weather that caused some number tags to stick together and washed-out names (resulting in some awardees not being recognized at the Award Ceremony). There were also issues with some children with numbers crossing the finish line with their parents despite not completing the course (tsk! tsk!). One of the biggest problems was of 2 runners accidentally wearing each other's bibs ! After that was discovered, Awards had to be reshuffled in 3 Age Categories. Despite our efforts, we realize there may still be errors. Some tags were misplaced after falling off boards. Your help in filling in blanks will be appreciated. If you did not receive your award, please contact the race director
