The course had to be rerouted this year due to bridge outage. Still very challenging course with a hill

or two. Dave Starnes led on his bike. Everyone excited about the Ravens playoff game. New course records and PB's.

Weather- 22 degrees felt like 13 degrees. Winds NNW at 8 mph. Partly cloudy few flurries early

RD: Tim Gavin; Assistants: Phil Anderson (H2O), Bernie Gemmill, Seth McElroy (Timing)

*** Nicole Bear and Courtney Baltimore started running but their toes got cold, so they swept the course in a warm car.
