**R.D.**

**Phil Anderson**

**Note:**

The race was listed as: "Run to Mama 5 miler" in the schedule.

**Conditions:**

But Phil changed it and took out the hill/mother trail  
Cool and raining.

**Comments:**

1. The course ended being 4.75 miles and all road. I took out the tour of "Mother" hill.
2. We had 2 walkers who started early
3. And we had 2 runners who started late - (7 min 11 sec late) and ran the race in reverse
